

HELP!

Emergency Fundraising for Blitzen's Eye Removal Surgery

Blitzen & his mom, Snowflake

Blitzen & his brother, Rudolph

Blitzen is a 3 months old puppy who suffers from dry-eye which were not properly treated prior to being abandoned at a shelter. Furry Friends Rescue saved him and his family. Unfortunately, his right eye is already blind and our veterinary ophthalmologist needs to remove it to prevent fatal infections.

We need to raise \$3,000 for his eye care, surgery and after surgery vet care.
