

LETTER FROM GROUP OR ORGANIZATION

[Month, day, year]

Dear Senator _____,

We are writing in support of SB 250, the Pet Responsibility Act, and we encourage you to vote in its favor.

It is unacceptable that over half of the 1 million dogs and cats entering California shelters every year must be euthanized for want of homes. As an organization concerned with animal welfare, we strongly support SB 250 as a way to reduce these numbers. Spay / neuter laws like SB 250 have proven their effectiveness over the last decade, and we believe that the time has come for a state law that will encourage responsible pet ownership and higher spay / neuter rates.

Every dog born in California today has nearly a 1 in 4 chance of dying in an animal shelter. By increasing the number of animals spayed and neutered, SB 250 will make a real difference to the pet overpopulation crisis. We urge you to vote Yes on this common-sense bill.

Sincerely,
